Rick,

I think all the information we have to date is in the attached spreadsheet. Please note that the spreadsheet includes three spreadsheets in the file. Let me know if you need something different.

Thanks,

For starters, some missing groups are CECOM and its subcommittees, various CORESTA individual roles and committees, ARTIST in Asia, the new group in France that Jacques goes to, etc.

Valerie - you left off the SRRC, who would potentially know about other memberships, so I copied them.
